Editorial....

Dear friends,

Welcome to our 16th News letter. Thank you so much for taking time to read about our charitable activities. Inside, you will find fundraising events, hospital news, achievements and recognition, updates on various events and lots more!

Our next major fundraising event will be the launch of the "Charity Fashion Show for Children". It will be a fun day out for all donors and their families. We have planned a day long fete of exciting programmes, attractions and more (cultural, games, etc.,) spread over a large arena.

We have mobilised and empowered volunteer groups like "Vaa Nanba" (Come on, Friend!), "Ayuda Siragugal" (Winged Weapons) and "Padikattukkal" (Stairs) to provide psycho social support to patients. We are happy that in this academic year (2014-2015) we will be able to mobilize resources from more than 53 educational institutions.

We appeal to you, to consider making 'monthly donations' to our charity schemes, to support the patients in need. Your donations, big or small, make an impact far larger than you can imagine. On behalf of our beneficiaries, we wish to thank you for your thoughtful and generous contributions.

We hope you enjoy this newsletter. Please do let us know if you have any ideas or comments on what else you would like to see in the future newsletters. This newsletter features the last six months of service activities. Our staff, the management and trustees would agree that it has been a time of extraordinary change.

And, finally, a huge "Thank You" to all those donors, supporters and volunteers who have made our achievements so far, possible.

Thanks a lot!

Best wishes

Sunday.

Old Tamil film songs sung by T.M.S. Selvakumar and his troupe as part of 'Singing for life' concert, comedy and mimicry shows formed the highlights of the evening.

"A common misconception among people is that cancer is not curable, when there is a 90 per cent chance of cure for children. People should be aware that they have to approach specialised centres to get cancer treatment for children," said T. "Nearly 2,500 children are diagnosed with cancer in the State every year, Our hospital treats nearly 200 children with cancer and blood ailments," he said.

Speaking about the Camila Children's Cancer Fund, Dr. Viswanathan said that it was created to help poor children affected by cancer.

"A bone marrow transplant facility, which was established last year, has carried out 12 successful transplants," he said.

Singing for Life - Live Light Music Orchestra

Meenakshi Mission Hospital and Research Centre established an exclusive paediatric oncology. So far, around 540 children with cancer have been given free treatment under this scheme. Since 2010, we have been organizing annual events to raise funds for children with cancer. The very first program was 'Donor Feast' with music director, Mr. James Vasanthan. The second program was 'Coffee With Sneha', with cine actress Mrs.Sneha. The third programme was a musical concert by Carnatic singer, Padmashree Mrs. Sudha Raghunathan. The mega event of 2014 was 'Dance Marathon'.

This year, at the end of March, we arranged 'Singing for Life', a light music extravaganza event for the general public. For an entire evening, tamil light music classics were performed by a professional troupe (TMS. Selvakumar and Dr.S. Premachandran). A huge crowd of over 5000 people from Madurai and surrounding areas, comprising of general public, donors and families all enjoyed the event, many of them even singing a few lines.

Through this programme, we raised over 22 Lakhs as grants and in-kind sponsors worth of Rs. 4,27,000/- from 181 donors.
